EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with J. Randall Beckers on 9/9/05.

The application has been amended as follows: claims 79-83 are canceled.

2. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose the recited combination of elements in a position information management system, including an advising device for transmitting the location indicator transmission request to the first terminal when the determination device has determined the first terminal is capable of receiving the location indicator transmission request and transmitting the location indicator received from the first terminal to the second terminal or composing a location indicator of the first terminal by making an estimation based on the location indicators stored in the log form when the determination device has determined the first terminal is not capable of receiving the location indicator transmission request and transmitting the location indicator composed based on the estimation to the second terminal, wherein the advising device constituting the center assumes when the determination device determines the first terminal having stationed at one location within the monitoring area for the pre-assigned length of time, as an unusual situation has happened with a holder of the first terminal and transmits a warning signal to the second terminal, as in claims 69 and 76.

Art Unit: 2687

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sam Bhattacharya whose telephone number is (571) 272-7917. The examiner can normally be reached on Weekdays, 9-6, with first Fridays off.
